ACCESS

Canada Credit™

Kill 2 birds with 1 stone:

1. Get a newer vehicle
2. Re-establish your credit

Janet can tell you...

“I went to my personal bank and they sent me away. I went to my local car dealership and they sent me away. You see,

I went through a nasty divorce a few years back and had to declare personal bankruptcy. I decided to call

ACCESS CANADA CREDIT™

and they were able to get me approved. I dealt with Jane McPherson, one of their account representatives, who guided me through a very simple process and they didn't make me feel like a criminal. Most importantly, I got myself into a car and re-established my credit. I now have 2 major credit cards and traded in my vehicle for a newer one. Thanks A.C.C.”
